### Calling All Sponsors!

Like any big show, we need sponsors and donations. Donated items will be raffled off throughout the show and your sponsorship dollars will help make our show possible. We strive to keep our show costs to a minimum so that we can make the biggest contribution possible to CSNA.

All sponsors will be listed on our show flyers, our website, and will be thanked for your contribution throughout our show during hourly announcements. Sponsors who donate \$100 or more will also have their company listed on the back of our show T-shirt. On the days of the show, we will have a table available for all sponsors to display pamphlets, menus, etc.

#### **We'd like to thank these sponsors who've already donated to the 2010 Bug'n in July:**
